Director Industrial Safety & Health
 Labour & Employment Department, Government of Gujarat

Our Aim: To uphold and to protect the cause of Occupational Safety, Health and Welfare at Work Place

To ensure safety, health, welfare and good working conditions for workers working in factories and in construction establishments and effective enforcement of provisions of the Factories Act, the Building & Other Const. Workers Act and other labour legislations to prevent exploitation of workers.

Welcome to Director Industrial Safety and Health

The history of Factories Act is more than 100 years old. First time the Factories Act was enacted in 1887. After independence, The Factories Act, 1948 was made applicable in the country mainly to regulate health, safety, welfare and working conditions of industrial workers. It has been amended from time to time, but the major amendments were enacted in 1975 and in 1987 wherein emphasis has been laid on safety in general and chemical safety in particular. To strengthen safety in chemical factories, Government of Gujarat amended the Gujarat Factories Rules, 1953 in February 1995.
