Office order

Sub:- Scheme of auto renewal of consents based on self certification

Board intends to initiate auto renewal of consent to operate for Green (investment more than 50 lakhs) and Orange categories of industries which will submit a self certification on compliance of Environmental regulations. The strategies for effective implementations of environmental regulations include enforcement and compliance aspects which are being handled simultaneously with the consent.

In order to expedite the consent, it is now proposed to emphasis enforcement and compliance as discrete activities along with the responsibility of declaring the compliance of regulations by the industry while seeking renewal of consent. Initially the proposed scheme of auto renewal of consent based on self certification will be rolled out for the Green and Orange categories of industries.

The key features of this scheme are as under:

- 1.The auto renewal of consent will be applicable for the industries when there is no increase in overall production capacity and also in pollution load.
- 2.In case there is increase in capital investment the industry shall submit corresponding fees for consent to establish and also difference in consent to operate fees.

Sub: Self Certification of Compliance for Auto Renewal of the Consent to Operate

Ref: Consent issued by the Board vide letter No.-----
Dated----- which is valid up to-----

Sir,

We are submitting our consent renewal application form in prescribed format along with the necessary fees for the same. We wish to apply for auto renewal of our existing consent referred above. We undertake the following:

1. We have valid consent to operate from JSPCB vide above referred letter and copy of the same is enclosed. The present details of the manufacturing process and all other information as required under the prescribed consent application form are same as per the earlier consent application submitted for above referred consent and therefore the same may be considered for present application.
2. The capital investment of the industry, as the earlier consent granted by JSPCB vide above referred consent was Rs.-----lakhs. The Capital investment for the proposed consent auto-renewal is Rs.-----lakhs. (The change in capital investment, if any, is only due to investments in infrastructure development, clean technology, pollution control system and better production management. There is no increase in production or pollution load than as referred in the earlier granted consent. We are submitting corresponding fees for consent to establish and

also,difference in consent to operate fees since the block year the capital investment is made on pro-rata basis,duly supported by the chartered Accountants certificate to that effect.)

3. The production or manufacturing was as per the consented limits during the validity period of the earlier consent for which renewal has been applied.
4. We are complying with the consent conditions.
5. We undertake to comply with any further condition which may stipulated by JSPCB in future and also, undertake to pay all the charges/fees/demands in future.
6. This undertaking has the approval of the Board of Directors of the industry and copy of the resolution of the Board is attached herewith.

It is requested to approve the auto-renewal of the consent.

Thanking You.
