

DIPP Point No. 21

Question	Remarks
2b. Online Single Window System Q: Implement an online Common Application Form (CAF) for all required clearances/ approvals in the single window	Yes, An online Common Application Form (CAF) for all required clearances/approvals in the single window is available. Applicant information is captured and populated to application form of respective services without logging in again on the departmental portal, through a seamlessly integrated system. List of approvals is generated based on the inputs given by the applicant based on the applicability through in-built logic in the system

Approach of the CAF

Multiple CAFs

If an applicant has more than one industry or business, he/she may create another CAF in the same account on Single Window Portal. Thus, multiple CAFs may be created by user for businesses requiring different set of approvals. These can be managed from the 'My Account' tab on the portal.

Mapping of Approvals

Each of these approvals was mapped to respective acts and rules along with the conditions triggering the approval. Post this, based on the conditions of each approval, a questionnaire consisting of 23 questions was created and built into the State's online Single Window Portal.

Each option of questions is either in form of a checkbox or a radio button so as to make the questionnaire objective and easy to fill up. The questionnaire created is dynamic in nature, wherein user's input to one question may/ may not trigger the next question, depending upon the conditions specified for each approval.

The screenshot shows the 'SINGLE WINDOW SYSTEM' interface for the Government of Jharkhand. It is a questionnaire for business approvals. The header includes the user's name 'Shri Raghubar Das Hon'ble Chief Minister' and the system name. A navigation bar contains links for Home, Jharkhand - A Snapshot, Policies, Contact Us, and My Account. The main content area contains a list of questions (Q1 to Q6) with various input types like dropdown menus and radio buttons. A green callout bubble points to the questions, stating: 'Single Window System assesses the requirement of user through a set of questions'.

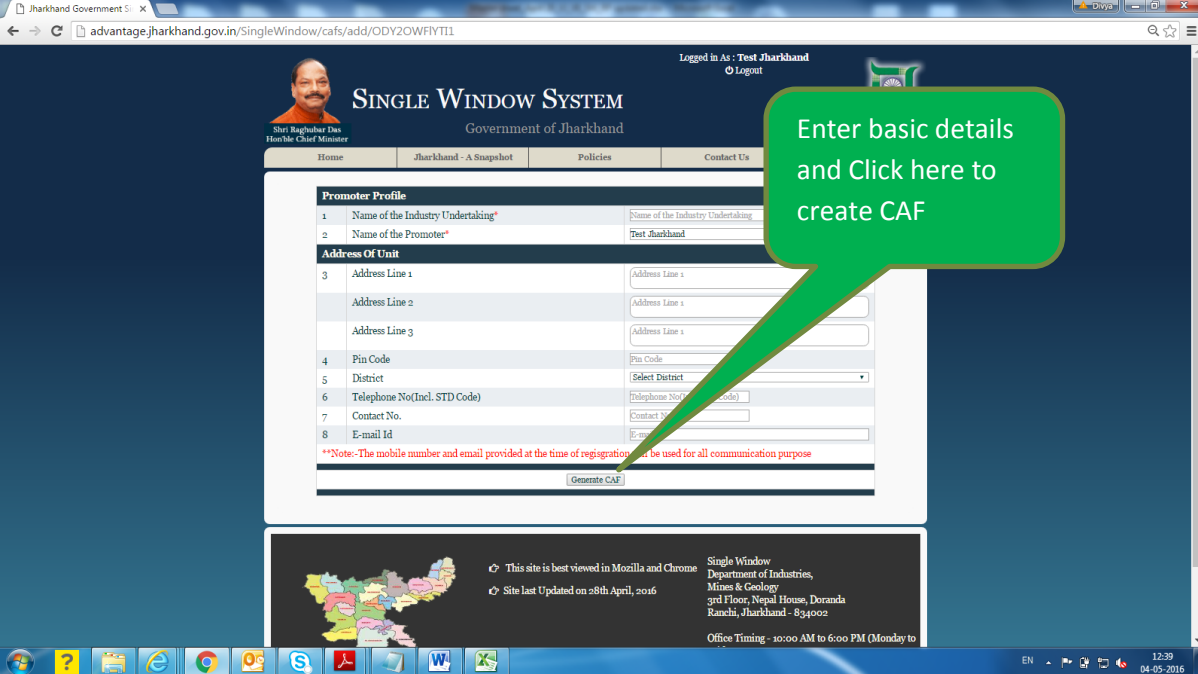

Based on the input provided by user, the system shows list of all mandatory approvals for setting up of business and starting of business operations in Jharkhand. The user may go back the questionnaire and change his/her input. Once he/she confirms the input response, the system captures basic information related to promoter profile and details of Industry/Business.

The screenshot displays a list of 23 mandatory approvals for business operations. Each item is numbered and describes a specific requirement. A green callout bubble points to the list, stating: 'Single Window System asks user to verify the input as entered in previous screen before generating CAF'.

1	Unit a Medium or above industrial unit
2	Project needs surface water from natural rivers/streams
3	Project involves diversion of natural river/ streams
4	Business involves electrical infrastructure/installation of electrical equipment
5	Project involve installation of electrical equipment
6	Business/project involves weights and measures
7	Business/project involves setting up of a distillery & brewery
8	Project/business involves Commercial Production of power generation above 10 Horse
9	Location of Shop/Establishment is at Municipal Area or Industrial Development Authority Area or Mines Development Area or Military Board or Cantonment Area with 2 or more workers
10	Business/Project involves engagement of 10 or more Building and other construction workers
11	Business/Project involves motor transport activity involving 05 or more workmen
12	Business/Project establishment will be employing 10 or more contact labourers
13	Business/Project establishment will be employing 05 or more migrant workmen
14	Contractor or middleman will be employing 05 or more migrant workmen
15	Business/Project unit will be using Boilers
16	Proposed establishment is Green Industry with more than 50 lakhs investment or Orange or Red Industry
17	Business deal with processing and dealing of municipal solid waste including landfills
18	Business deal with management and handling of e-Waste
19	Proposed establishment is Green Industry with more than 50 lakhs investment or Orange or Red Industry
20	Business/project involve construction of building
21	Business/Project require power connection
22	Business/Project deals with petroleum and petroleum Products
23	Business/Project deals with explosives

After all information is captured in the system, the user can proceed to generate the CAF. The CAF so generated contains forms of all mandatory approvals, specific to his/her industry.

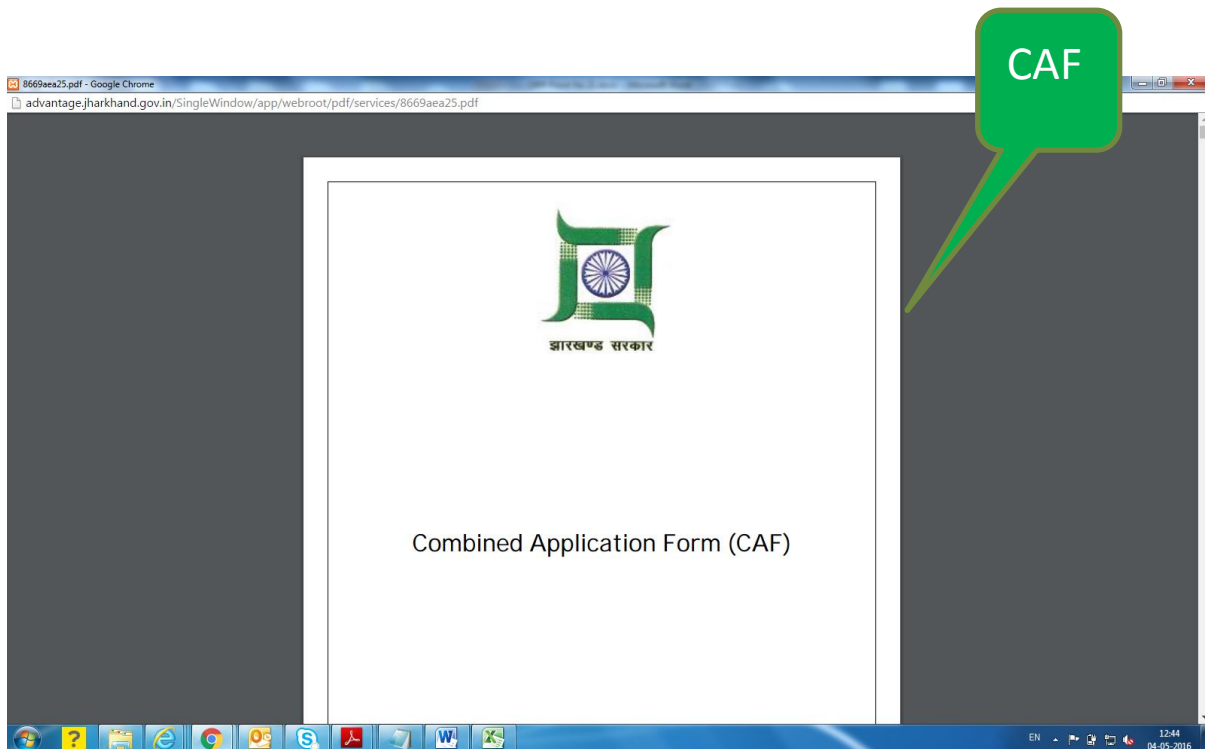

The screenshot shows the 'SINGLE WINDOW SYSTEM' interface for the Government of Jharkhand. The user is logged in as 'Test Jharkhand'. The form is titled 'Promoter Profile' and contains the following fields:

Promoter Profile	
1	Name of the Industry Undertaking* <input type="text" value="Name of the Industry Undertaking"/>
2	Name of the Promoter* <input type="text" value="Test Jharkhand"/>
Address Of Unit	
3	Address Line 1 <input type="text" value="Address Line 1"/>
	Address Line 2 <input type="text" value="Address Line 2"/>
	Address Line 3 <input type="text" value="Address Line 3"/>
4	Pin Code <input type="text" value="Pin Code"/>
5	District <input type="text" value="Select District"/>
6	Telephone No(Incl. STD Code) <input type="text" value="Telephone No(Incl. STD Code)"/>
