Method of Application:

The owners, of land parcel situated in non-urban areas, desiring to fell trees belonging to species specified in schedule of the Act can make application by two methods:

i) Online Application: The Government of Maharashtra has included this service to the citizen in "Right to Services Act 2015". The official website of Maharashtra Forest Department www.mahaforest.gov.in offers a link to RTS at its main page. Once the user has navigated to the RTS page, it lists various services offered by Forest Department to the citizen notified under "RTS Act 2015". The user has to select appropriate link to apply online. He is also expected to submit documents required as attachment. Once he has successfully submitted his application alongwith required attachments, he is allotted a Application id, which helps him in tracking status of his application at the same website. The application and attachments are then expected to be submitted to Tree Officer in hard copy by post or in person.

ii) Offline Application: The applicant has to submit his application in the same format given above as sample. The information are to be appropriately filled and attachments should accompany the form as given above. The completed document can be submitted at the office of Tree Officer by post or in person.

Fees: Presently, there is no fee prescribed for the service.

Replanting requirement:

As per section 3(1B) of the Maharashtra felling of Trees (Regulation) Act, 1964; the permission to fell trees shall be granted subject to the condition that the applicant shall plant equal number of trees of the same or any other species as the Tree Officer may direct, on the same site or other suitable place in the vicinity in the ensuing plantation season.
