COMMERCIAL CIRCULAR No. 245

Subject: On-line Facilities available to prospective consumers and reduction in number of documents to be submitted along with the Application for power supply.

All are aware that a prospective consumer can now apply on line for new power supply and in addition to this; provision has now been made to facilitate the consumer by allowing on line payment for new connections. Accordingly, following online services are made available to new connection consumers on www.mahadiscom.in portal.

Consumer Services → New Connection

- Pay New Connection charges online
- Know your Application Status
- Upload NC documents (for consumers having load>100KVA)

[1] Pay New Connection Estimate charges online based on Schedule of Charges:

Consumers, who have applied for New Connection but have not been issued the firm quotation, can **now** make payment of new connection charges based on Schedule of Charges.

Following 3 charges are accepted from the consumer based on Tariff and Required Load:

1

Business Reform Action Plan 2016 Response by Government of Maharashtra

When consumer clicks on the "Pay Now" button, consumer will be directed to payment gateway page, where consumer can select mode of payment, net banking or debit / credit card, and make payment.

After successful payment, receipt will be displayed. This receipt can be saved as PDF document. However in case the consumer only uploads the application and does not pay the standard charges, then status of such consumer shall be displayed in the system as "Application registered but not paid".

Sample Screens are provided in Annexure 1 to this Circular.

[2] Know your new connection application status:

Consumers can check new connection application status on the portal. Consumer has to provide A1 application number or the consumer number to get the application status.

The application statuses which have already been defined in the new connection workflow will be shown to consumer. Application status such as "A1 Approved", "Technical Feasibility Approved", "Estimate Approved", "Receipt Approved", "Meter Assignment Approved", "First Bill Generated" will be shown to consumer.

It is important to note that the consumer can use the above services provided he / she knows his / her application number or consumer number.

Sample Screens are provided in Annexure 2 to this Circular.

[3] Upload NC documents:

Consumer having load more 100 KVA can upload the images of the mandatory documents required for the new connections. It however needs to be noted that documents of type pdf or jpg will be accepted.

Presently, the consumer is required to submit various documents along with his application, however the number of documents, initially for

Business Reform Action Plan 2016 Response by Government of Maharashtra

consumers having load above 100 kVA, have now been reduced to **TWO** only.

Accordingly provision for uploading two / three documents is made.

The Industrial consumer, having load above 100 kVA, along with his application for power supply, shall now upload only following documents and all such consumers who may upload these documents shall be considered as eligible for getting power supply, subject to compliance of other conditions, other than submission of documents.

- **Ownership proof**
- **Industrial Registration / DIC certificate**

The consumer, who so ever may use this facility of uploading of documents, shall have to provide his / her mobile number, which will be a mandatory filed.

The documents up loaded by the consumer can be viewed / verified on line.

Sample Screens are provided in Annexure 3 to this Circular.

[4] Intimation to the consumer

A system has now been developed where the consumer shall be intimated via SMS whenever the work flow stage is approved by the approving authority in the new connection system. Following messages shall be sent to the consumer on the mobile number provided in the A1 application.

A1_stage

Dear consumer your new connection application dated <<02/04/15>> is received. Your application no is <<1234567>>. Track status at www.mahadiscom.in.
