The screenshot shows the Gujarat Pollution Control Board website. The 'Information' menu item is highlighted with a red box. The main content area features a banner for 'TREATMENT STABILISATION DISPOSAL FACILITIES FOR FUTURE GENERATION' with a sub-header 'Information'. Below the banner, there is a paragraph: 'Another preventive measure is to lower the harmful emissions coming out of factories & automobiles. The chimneys of the factories should be built very tall so that it will release waste and harmful gases high up in the atmosphere.'

- Circular for the levy of Late Fees of CTE, CCA, Authorisation and Registration Applications to GPCB **NEW**
- Application Form for Paryavaran Rakshak Award - 2014 **NEW**
- Corrigendum **NEW**

GPCB Overview: Now commonly known as GPCB - Gujarat Pollution Control Board, was constituted by Government of Gujarat on 15th October, 1974 in accordance with the provision of the Water Act, 1974. The GPCB continued its efforts towards environment related better pollution control and improved management. Several critical issues in the field of environment are being tackled by the Board through its existing Regional Offices.

Objectives

Information x
www.gpcb.gov.in/information.htm

- ★ [One time import registration for Non-Hazardous Waste as per Schedule-III](#)
- ★ [Registration of Recyclers/Re-processors of Used/Waste Oil Re-Processors](#)
- ★ [Sampling and monitoring under the Water Act, Air Act and E.P. Act](#)
- ★ [Charter on Corporate Responsibility for Environmental Protection \(CREP\)](#)
- ★ [Sampling and Analysis under the Hazardous Waste Management](#)
- ★ [GPCB Policy for CETPs / TSDFs / Industrial Units having ISO 14001](#)
- ★ [Installations of Pollution Control Measures](#)
- ★ [Information for Bio-Medical Waste Management System](#)
- ★ [Status of Water Quality of Major & Other Rivers of Gujarat](#)
- ★ [Financial powers delegated to the Officers of the Board - Position as on 01/03/2007](#)
- ★ [Status of CETPs in Gujarat](#)
- ★ [Details regarding Environment Audit](#)
- ★ [Hazardous Wastes Facilities in Gujarat](#)
- ★ [Brick Emission Standard](#)
- ★ [The Central Acts Pertaining to Environment](#)
- ★ [Revised National Ambient Air Quality Standards \(NAAQS\), 2009](#)
- ★ [Bio-Medical Waste Treatment Facilities in Gujarat](#)
- ★ [Action Plans of Critically Polluted Areas in Gujarat - June 2010](#)
- ★ [Supreme Court Order On Hazardous Waste Management](#)
- ★ [Guidelines for Coal Handling](#)
- ★ [Ambient Air Quality Monitoring Results of Ahmedabad City](#)
- ★ [e-Waste](#)
- ★ [Review of Action Plan for Control of Air Pollution in Ahmedabad](#)
- ★ [Co-Processing](#)
- ★ [Registration of Recyclers/Re-processors of Lead Waste Re-Processors](#)
- ★ [Inspection Procedure](#)
- ★ [Environmental Guidelines for Stone Crushing Units](#)
- ★ [Procedures for Inspection/Procedure / Notices / Consents](#)
- ★ [Industry exempted from CTE \(NOC\)](#)
- ★ [Inspection schedule](#)
- ★ [Criteria for providing Central Subsidy for setting up common treatment and disposal facilities](#)
- ★ [Revised Guidelines for Central Subsidy for CETP](#)

The screenshot shows a web browser window with the address bar containing www.gpcb.gov.in/inspection-procedure.htm. The website header includes navigation links: About Board, Projects, Environmental Clearance, Information, Statistics, E-Citizen, Gallery, and Contact. The main content area features a banner with the text "INFORMATION" and "Let's create a better tomorrow, Let's preserve nature-today." Below this is a section titled "Inspection Procedure" with a red box around the title. The text states that inspection teams are authorized to carry out inspections under various environmental legislations. A list of steps follows:

- ▶ On the entry of premises, the team serves a notice of entry & inspection to the responsible person / occupier of the premises.
- ▶ Then in the presence of the responsible person / occupier of the premises the team carries out inspection, which includes, verification of :
 - ▶ Operation of plant(s), product(s) being manufactured with quantity,
 - ▶ Status of operation of Environment Management System comprising of control measures for liquid, gaseous and solid wastes,
 - ▶ Generation of liquid, gaseous and solid wastes & their disposals,
 - ▶ Maintenance of records in the form of logbooks etc.,
 - ▶ Consumption of utilities viz. water, fuels electricity etc.
- ▶ During the inspection and verification of the industrial unit the team also collects sample(s) of waste water, gaseous emission(s) and hazardous waste(s), as and where the team feels necessary, depending upon the environmental circumstances during the visit
- ▶ At the end, the monitoring team issues written instructions to the industry for the non-compliances observed, if any, and they are brought to their notice with required corrective measures.
- ▶ Team also lists suggestions (based on their earlier experience) to take additional measures so as to reduce pollution load at source or to improve treatability.

The footer contains logos for Gujarat Cleaner Production, Gujarat 2015, State Environment Impact Assessment Authority, and Ministry of Environment and Forests, Government of India.
