

Jharkhand State Pollution Control Board Government of Jharkhand

DIPP Point No. 323

Question	Remarks
<p>90. Compliance Inspection under The Air (Prevention and Control of Pollution) Act, 1981</p> <p>Q: Design and implement a system for identifying establishments that need to be inspected based on computerized risk assessment</p>	<p>Jharkhand has well defined risk parameters for carrying out computerized risk based assessment.</p> <p>There are 3 modules of inspection: Surprise inspection, new industry inspection and regular inspection module. For New Industry inspection, there are two parameters on the basis of which inspection is done (Category and time lapsed from the submission of application) and for regular inspection, there are three parameters (Category, previous compliance status and time lapsed from date of last inspection done).</p> <p>The weightage of each risk parameter is stated in the inspection procedure: (http://jhkocmms.nic.in/OCMMS/userMaster/Sop.gsp)</p>
<p>URL: https://youtu.be/ZFjUadLygUE http://jhkocmms.nic.in/OCMMS/index.gsp http://jhkocmms.nic.in/OCMMS/userMaster/Sop.gsp</p>	

A) RISK PARAMETERS FOR NEW (RENEW) INDUSTRY INSPECTION:

Parameter	Weightage
Categorization : Red	0.40
Categorization : Orange-High Risk	0.30
Categorization : Orange-Low Risk	0.20
Categorization : Green	0.10
Time lapsed (1-15 days)	0.15
Time lapsed (16-25 days)	0.30
Time lapsed (26-35 days)	0.45
Time lapsed (36 days and above)	0.60

Notification No: B-06

Ranchi, Dated: 6 June, 2016

Notification

Risk Based Inspection and computerized allocation of inspectors under Water (Prevention and Control of Pollution) Act, 1974 and Air (Prevention and Control of Pollution) Act, 1981 will be done as follows:

The Regular inspection of Red, Orange-high risk and Orange-low risk industries shall be conducted at an interval of 2 years, 3 years and 5 years respectively. For Green category, inspection shall be done once in 15 years. Date of inspection shall be calculated from the last inspection done.

List of establishments to be inspected shall be based on computerized risk based assessment. The industry with a higher score shall be inspected first. Following are the parameters for **Regular Inspection**:

- Categorization of industries into Red, Orange (high and low) and Green
- Previous compliance (Based on Checklist)
- Time period of inspection lapsed

Weightage of these parameters is as follows:

Parameter	Weightage
Categorization : Red	0.40
Categorization : Orange-High Risk	0.30
Categorization : Orange-Low Risk	0.20
Categorization : Green	0.10
Previous compliance (Based on Checklist) : Non Compliance	0.40
Previous compliance (Based on Checklist) : Partial Compliance	0.20
Previous compliance (Based on Checklist) : Full Compliance	0.0

[Handwritten signature]

Time lapsed (0-15 days)	0.05
Time lapsed (16-30 days)	0.10
Time lapsed (31-45 days)	0.15
Time lapsed (46days and above)	0.20

For new industry registration, following shall be the risk parameters

- Categorization of industries into Red, Orange (high and low) and Green
- Time period lapsed from submission of application

Weightage of these parameters is as follows:

Parameter	Weightage
Categorization : Red	0.40
Categorization : Orange-High Risk	0.30
Categorization : Orange-Low Risk	0.20
Categorization : Green	0.10
Time lapsed (1-15 days)	0.15
Time lapsed (16-25 days)	0.30
Time lapsed (26-35 days)	0.45
Time lapsed (36 days and above)	0.60

The establishments are categorized into High, Medium and Low risk establishment as per the following definition:

Risk Type	Range
High Risk	0.70 to 1.0
Medium Risk	0.4 to 0.65
Low Risk	0.0 to 0.35

Computerized allocation of Inspectors shall take place based on the following criteria:

- In case of Consent to Establish (CTE) with total investment more than 20 Lakhs, two officers from Regional office including Regional Officer along with one officer from Head office shall do inspection. Allocation of inspectors shall be done at Head office

- * In case of Consent to Establish (CTE) with total investment less than 20 Lakhs, two officers from Regional office including Regional Officer shall do inspection. Allocation of inspectors shall be done at Head office
- * In case of Consent to Operate (CTO) and Authorizations:
 - If **RED** industry falls in "CAT 17 GPI" (refer to annexure I), one officer from Head office and two officers from Regional Office shall do inspection. Allocation of inspectors shall be done at Head office
 - For others, two officers from Regional Office shall do inspection. Allocation of inspectors shall be done at Regional office

This will come into force with immediate effect.

(Sanjay K. Suman)
Member Secretary
