

## Area 5d: Authorization under Hazardous Waste (Management and Handling) Rules, 1989

**111:** Allow third parties to easily verify approval certificates in the public domain

Response:

Yes

## Remarks:

Once a third party goes to the website, <u>http://www.mpcb.gov.in/page/search\_page\_industry.php</u>,

He/she can search for Consent to Establish certificate by name of industry or by EIC number. This certificate is verifiable in the public domain by the application number which is a 12 digit unique number.

As seen in the application form there is a common consent for Air, Water Act and Hazardous Waste (Management and Handling) Rules, 1989. The application form is available at <a href="http://www.mpcb.gov.in/images/Combied-consentformNew\_31012012.pdf">http://www.mpcb.gov.in/images/Combied-consentformNew\_31012012.pdf</a>

Also as seen in the consent to renew certificate below, a common consent is issued under the Air, Water and Hazardous Waste (Management and Handling) Rules, 1989.
