The screenshot shows the MPCZ website dashboard. At the top, there is a banner with the text "Online system must only mean no Line" and portraits of Shri Rajendra Shukla (Hon'ble Energy Minister, Madhya Pradesh) and Shri Shivraj Singh Chouhan (Hon'ble CM of Madhya Pradesh). Below the banner is a navigation menu with links: Home, About Us, Registration, Team, Gallery, Contact, Help, and From M.D. Desk. The main content area displays four application categories with their respective counts:

Application Category	Total
HT Applications	300
HT-NSC Application	137
HT-Load Enhancement Application	72
HT-Load Reduction Application	91

Below these are four sub-tables showing the status of applications:

Status	HT Applications	HT-NSC Application	HT-Load Enhancement Application	HT-Load Reduction Application
Accepted Application	252	113	62	77
Pending Application	5	4	1	0
Reject Application	43	20	9	14
Estimate Approved	137	109	15	13
Estimate (Pending For Payment)	23	20	0	3

At the bottom, there are four circular icons representing different metrics: Total Registration (828), Total HT-NSC Application (137), Average Disposal Time (2.6 Days), and Total Connection Served (190). A yellow callout box with the text "Click Here to view the details of total connections served" has an arrow pointing to the 'Total Connection Served' icon, which is circled in red.

The screenshot shows the MPCZ website page for "Connections Served". The page header includes the SANKALP logo and the text "Service for Availing New connection through Contact Less Process". The banner at the top is identical to the previous screenshot. Below the banner is a navigation menu with links: Home, About Us, Registration, Team, Gallery, Contact, Help, and From M.D. Desk. The main content area displays a table titled "Connection Served" with the following columns: S.No., Application, Name, Circle, and Date of Connection Served. The table contains three rows of data:

S.No.	Application	Name	Circle	Date of Connection Served
