URL:<http://www.rajfab.nic.in/inspection%20procedure%20for%20factories.htm>

Inspection procedure:

1. Factories are allotted to Inspectors by computer in RajFAB web application in randomized manner based on computerized risk assessment based upon risk profile (such as High (Major Accident Hazard), Medium (Hazardous/Dangerous Operation) and Low risk (Non-Hazardous)) of factories targeted to provide streamlined compliance inspection regimes for industries on the basis of their relative risk or hazard levels.

See classification of risks

2. Full division is the jurisdiction of each field officer. Inspector can not inspect same factory twice consecutively.
3. Inspector has to carryout synchronized/joint- inspection under The Factories Act, 1948 along with Labour Inspector who is inspecting the same factory under following Labour Laws-
 1. Inspection under The Equal Remuneration Act, 1976
 2. Inspection under The Maternity Benefit Act, 1961
 3. Inspection under The Minimum Wages Act, 1948
 4. Inspection under The Shops and Establishments Act (as applicable)
 5. Inspection under The Labour Welfare Fund Act (as applicable)
 6. Inspection under The Payment of Bonus Act, 1965
 7. Inspection under The Payment of Wages Act, 1936
 8. Inspection under The Payment of Gratuity Act, 1972

Objectives of this page :

1. To generate Randomized list of factories on the basis of risk assessment for inspections and allocation of Inspectors.
2. To see name and address of factories and its type.
3. To view "Inspection reports" and "Compliance done".
4. To view inspection report after submitting, Click [HERE](#).

Functionalities on this page :

1. By clicking blue link under "Application ID", you will move to inspection report upload page.
2. By clicking blue link (shown as date) under "Inspection Report", you can view report of inspection made on that date.
3. By clicking blue link (shown as "Compliance Done"), you can view compliance report submitted by factory management.
