

Q 135

Boiler Registration - Procedure, along with a comprehensive list of all documents

<http://www.invest.mp.gov.in/services.action>

The screenshot displays the 'Services offered through this Portal' section of the MP Investment Portal. The table lists various services, with 'Registration of Boilers' highlighted by a red oval. A callout box points to the 'Apply Online' link for this service, indicating that a detailed procedure and list of mandatory documents are available. The table also shows options to download PDFs and user guides for several services.
